

LETTERMAZE SAFARI

HUNT FOR THE HIDDEN MESSAGE

Search for letters and numbers:

Find a hidden letter and follow the path to reveal its number placement.

Example: The A is the second letter in the message.

JAGUAR

The jaguar's message has 20 letters divided into three words.

Place the letters in the numbered spaces below. Vertical breaks separate the words.

1	2	3	4	5	6		
7	8	9	10	11	12		
13	14	15	16	17	18	19	20

As with anything new, this needs to be tested. Is it enjoyable? Is it too hard or too easy? Would you share it with your friends? Do you prefer it digitally or printed? Try out the Jaguar LetterMaze, then please take a few minutes to answer a couple of questions and tell me your thoughts at this link:
